Can someone from The Home pick up the gifts I have collected?

Unfortunately, we are unable to arrange for pick-ups of toys and other donated items. We do, however, offer several convenient drop-off sites – please see above.

Do all items need to be new?

Yes, please ensure that all items are new. We do not accept used items (even gently used or consignment shop clothing).

How should I label all gifts?

Please label each gift with the "Wish Code" that is listed on your wish cart page to ensure your gift gets to the correct child. Make sure the label is securely attached to the gift item. The "Wish Code" labels can be printed directly from your wish cart page. Find the button that says, "PRINT WISH CODES." Wish Code Example: CSAHY-00003542-KERSEY

Where do I find the wish code?

The wish code is the series of letters and numbers in the first column of the table on your wish cart page (i.e. CSAHY-00003542-KERSEY). To view your wish cart, go to www.giftdrive-thehome.org, log in and click on the "My Wish Cart" heading. The "Wish Code" labels can be printed directly from your wish cart page. Find the button that says, "PRINT WISH CODES."

How should I package gift cards?

Please indicate the dollar value on the gift card and its sleeve. Then place the gift card in an envelope and label the envelope with the "Wish Code" that was displayed from your wish cart page. This will ensure your gift gets to the correct child.

What if I cannot find the specific item a child is looking for?

If you are not able to find the item the child has requested, use your best judgment. Look for a similar item or substitute it with an item that you think the child would like.

Should I supply gift receipts?

Gift receipts are not necessary. However, if the store you are purchasing the item from offers gift receipts, please include it as this will allow the child to make exchanges if needed. If you do supply gift receipts, please put them in an envelope and package them with the items.

Can I wrap the gifts?

Items should not be wrapped. However, items can be placed in gift bags so that the contents are visible. Donations of wrapping paper are also appreciated.

Can I deliver my gifts to kids personally or meet some of the children in The Home's care?

Due to very strict confidentiality laws and our firm commitment to the safety and well-being of the children in our care, members of the community may not interact with The Home's clients without first completing volunteer orientation and training.

Is my gift tax deductible? How do I get a tax receipt?

Yes, donations to The Home's gift drive are tax deductible. To receive a tax receipt for your donation, please fill out the attached Donation Tax Receipt form and keep a copy for tax purposes. Bring a copy with your donation for our records as well. Please be sure to include the dollar value of your donation on the form. We suggest that you also keep the original purchase receipts as documentation in case of an audit.

Will I get a personal thank you for my gift?

Due to privacy concerns of the children and families in our care, we are not able to send individual acknowledgements. Please know that each and every gift goes to a deserving child/family and is much appreciated. If you complete a Donation Tax Receipt Form, you will receive a copy of the form, along with a general thank you from The Home.

Why do I need to complete a Donation Receipt Form?

We ask all donors to fill out the attached Donation Tax Receipt form and bring it with your donation. This allows The Home to record the gifts being delivered to our Toy Room and other drop-off sites, as well as provide you with a tax receipt.
